Re: *SkyWest Pilots ALPA Organizing Committee, et al. v. SkyWest Airlines, Inc.*,  
U.S. District Court, N.D. Cal., Case No. C-07-2688 (CRB)

Dear Counsel,

We write *again* in regard to implementation of the TRO with respect to the training session for the newly-hired pilot class that began this past Monday, May 28, 2007. We have learned that SkyWest has not yet placed Plaintiff Skywest Pilots ALPA Organizing Committee ("OC") on the training session agenda for June 1, 2007.

Earlier today, Plaintiff Steve Dow spoke to Shane Lossee about timing and equipment in connection with the OC's appearance at the training session tomorrow, June 1. Captain Lossee advised Captain Dow that the OC is not on the agenda. Captain Lossee stated that David Faddis, Director of Training, had instructed Captain Lossee that he was not authorized to let the OC make a presentation at the training session, and that any such request to do so should be directed to Mr. Emerson.

On behalf of Captain Dow and the other Plaintiffs in this case, we have repeatedly contacted you about the OC's presentation to the training session. Captain Dow and Captain Phil Alford will be at the training session tomorrow, June 1, 2007 at 1 pm. Captain Dow has already advised Captain Lossee that the OC is available to make a presentation anytime, starting between 11 am and 2 pm. If 1 pm presents an impossible conflict, please contact us this afternoon, and we would be happy to discuss scheduling issues within this 11 am to 2 pm window. Otherwise, Captains Dow and Alford will be prepared to make their presentation at 1 pm.

As you are well aware, should SkyWest fail to allow the OC to make a presentation tomorrow, it will be in violation of the TRO and we will move for contempt.

Sincerely,

  
Linda Lye
